

# Industry Forum

## Airborne Contaminants and Health Surveillance

### This event will include updates from:

- the Standing Committee on Airborne Contaminants and Occupational Hygiene (the Standing Dust Committee)
- the NSW Resources Regulator
- CS Health, including:
  - the Respiratory Health Standard
  - the development of the new Cardiovascular Health Standard and
  - the proposed changes to the Health Surveillance Scheme for the NSW coal industry (Order 43).

*An online webinar will be scheduled for those unable to attend in person. More information to come.*
